RE: **TRA Planner Recommendations – Passmore Avenue Facility**
 Hexavalent Chromium (and its compounds)

BCX Environmental Consulting (BCX) was retained by Aqua Bond Inc. to review, provide recommendations and certify their Toxic Substance Reduction Plan for hexavalent chromium (and its compounds) for their Passmore Avenue Facility.

The Toxic Reduction Act and Regulation 455/09 requires a facility to have a toxic substance reduction planner provide written recommendations on each toxic substance reduction plan (Reg. 18.2(1)).

Please find attached my recommendations on the TRA plan.

Sincerely,

BCX ENVIRONMENTAL CONSULTING.
